Extra!

As participant:

Every participant should bring one **small** gift! It could be something typical from his/her country.

As group:

We would appreciate, if you could bring group- photos, music, tourist material about your contry and gladly especially from your town or region, as well as typical sweets or food for the national evenings:

Every group is supposed to organize a cultural evening with typical food, music, dances, games or what ever you would like to arrange!

Please bring also material and games for an execution of a language input.
